At Mazars, our tax advisory services are provided by vast experience professionals, highly knowledgeable on local and international tax matters. Mazars is committed with its clients in order to provide personalized advisory and give professional answers according to their needs, with the objective to collaborate in the growth and development of their businesses.

OUR COMMITMENT

To provide our clients with an excellent service and added value in their projects and daily operations, with the certainty of a responsible and ethic service that complies with the regulations of Mexican tax authorities.

WHY MAZARS?: BECAUSE WE WORK UNDER A MULTIDISCIPLINARY AND COORDINATED SCHEME WITH MAZARS' TEAMS WORLDWIDE. THIS ALLOWS US TO PUT AT YOUR DISPOSAL THE BEST PROFESSIONALS WITH THE REQUIRED PROFILES AND EXPERIENCE FOR EACH SERVICE, ADDING PERSONALIZED SOLUTIONS WHILE BEING TECHNICALLY SUPPORTED.

OUR SERVICES

LOCAL AND INTERNATIONAL TAX ADVISORY

Our objective is to find opportunity areas through the analysis of the applicable local and international tax provisions. This analysis involves the capabilities of the company as well as its economical, social and political characteristics. Our purpose is to create added value for our customers, committing ourselves to the highest level of quality and efficiency in our services.

CORPORATE RESTRUCTURING

We carry out a deep analysis of the corporate structures in order to identify the tax implications that could arise, also to identify the opportunity areas and possible contingency, if any.
Additionally, we analize each alternative that could be implemented in order to make more efficient the development, implementation, and tax implications of the corporate restructuring that will be carried out. We can assist our clients with any tax requirement before tax authorities as a consequence of the corporate restructuring, i.e. drafting or reviewing agreements, reviewing shareholders meetings for mergers or split-offs, as well as any scheme for its implementation.

COMPLIANCE

In order to avoid contingency, it is imperative to comply with Mexican tax regulations. We carry out a company tax status analysis,reviewing monthly and annual tax compliance, for informative and tax payment purposes.

AT MAZARS, OUR CLIENTS' TRANQUILITY AND DEVELOPMENT IS OUR PRIORITY.

ADVOCACY BEFORE TAX AUTHORITIES

We serve as representatives of our clients before Mexican tax authorities. Additionally, we can assist our clients in order to be more efficient with the objective to obtain receivable tax balances, we can also help our clients fulfill promotions before tax authorities, i.e. authorizations, registrations, notice submissions, criteria confirmations, among others.

INDIVIDUALS AND EXPATRIATES

We know that as individuals there is a need to attract and maintain capital, so we consider extremely important to provide tailored tax advisory services considering the needs of each individual, as well as providing them with tax certainty and reassurance concerning heritage, analyzing tax obligations, and opportunity areas.

LEGAL SERVICES

Our Firm can provide legal services in tax and corporate matters, provided by professionals specialized in such areas. Our services are focused on the execution and elaboration of strategies or optional economies, as well as tax legal assistance. We want our clients to carry out their businesses with the best legal practices, and succesfully avoiding any loss of time and resources. The best way to provide security to our clients is constant communication, that is why we give follow up information of their instances.
